Joseph Xiras
Minerva Bunker Gear Cleaners
780 E. 134th Street
Bronx NY 10454

Dear Joseph,

We have reviewed the NFPA 1851 documentation you have shared with us. We have agreed to allow your ISP verified locations to perform NFPA 1851 advanced cleaning and inspections on verified products when requested by Fire-Dex turnout gear customers.

We hope this letter is sufficient for your files.

Sincerely,

Tricia Hock
